Demo Services Co. - Service Request Record

REQ-20261025-SY1T4 - received 2026-10-25T13:16:15.690Z via webhook

Contact	Marie T. - Harbourline Cafe - marie@harbourline.example
Category	Service call - refrigeration fault / Quote request - maintenance plan
Priority	**URGENT**
Why	'stopped holding temp', 'reading 9 degrees', function Thursday for 60 people
Summary	Cool room not holding temperature (9C) ahead of a 60-person function on Thursday; also wants a maintenance-plan quote.
Facts extracted	• Cool room reading 9 degrees • Function Thursday, 60 people • Last serviced in March
Missing information	• Site address • Cool room make/model • After-hours access
Approved	2026-10-25T13:16:19.738Z (human approval via link)

Approved reply

> Hi Marie - understood on the urgency with Thursday's function. We'll call you this morning to book a technician within 24 hours. Could you reply with your site address, the cool room make/model and whether after-hours access is possible? We'll prepare a maintenance-plan quote alongside the repair. Kind regards, [Operator name]
